General Education Requirements

All students must fulfill the Carroll University Pioneer Core requirements including the Cross-Cultural and Distribution components to receive their degree. The Cross-Cultural Component includes: CCS199 Cultural Seminar, ENG170 Writing Seminar (**ENG101 or 102 @ UW-Colleges**), Cross-Cultural Development, CCS300 Cross-Cultural Experience and CCS400 Global Perspectives Colloquium. The Distribution Component includes four introductory level General Education 1 (G1) courses and one higher-level General Education 2 (GE2) course, outside of their major. A GE2 course must be from the same discipline as one of the GE1 courses previously taken (e.g., a GE1 English course and a GE2 English course) or in a pre-approved cognate field. Students will complete coursework in the Fine Arts, Humanities, Philosophy/Ethics/Religion, Social Sciences and Natural Science areas. Students majoring in a Fine Arts area do not need to complete a F1 course.

Students earning an associate of arts or an associate of arts and sciences degree will have fulfilled various components of the Pioneer Core. Please consult the Carroll University catalog or an admission counselor for details. It is recommended that students concurrently enroll in MTY101 at Carroll in spring of their first year.
