Honor Roll of Thanks 2018-2019

CARROLL UNIVERSITY

There are many ways people invest in Carroll to help make us stronger—better. We have a generous network of alumni and friends who annually make financial contributions to advance our mission through gifts to many areas including scholarships, facilities, CCE awards, equipment, academic programming and athletics.

We are appreciative of these loyal donors who deeply care about Carroll and our mission of educating young women and men. While financial support is essential—equally important is the gift of time.

This Honor Roll gratefully recognizes those who invested in Carroll University with their time, talent or treasure between our fiscal year 2018-2019, beginning July 1, 2018 and ending June 30, 2019.

Every effort has been made to assure the accuracy of these lists. If you find an error or omission, please accept our apologies and contact the Office of Institutional Advancement at 262.524.7240 or via email alumni@carrollu.edu so that we correct our records.

Thank You!

The Gift of Time

Service is deeply embedded into the fabric of the Carroll community. As we acknowledge financial investments, we also want to recognize the dedicated individuals who volunteer for Carroll by sharing their expertise and time to help advance our mission.

There are a variety of volunteer opportunities alumni and friends have invested their gift of time this past year that we wish to recognize including:

Advisory council members
Alumni Council members
Advising prospective students on attending Carroll
Classroom speakers & guest lecturers
Event champions
Recruitment of student interns at place of employment
Homecoming and reunion committee members
Host of regional alumni event
Networking fair/Informational interview mentors
And other occasions of volunteerism where individuals share their experience and passion to help the generation of Pioneers

Alumni Giving

2018-2019 Fiscal Year

Carroll is blessed with generous alumni who value a Carroll education and choose to make investments to cultivate the Carroll experience for future generations. The financial generosity of alumni is critical to ensure quality academics, a robust scholarship program, and ability to meet emerging needs and opportunities.

The heartbeat of Carroll is our students. And every contribution, large or small, supports our ability to prepare them to be better global citizens.

Parents

Support from parents is a testament to the quality of education provided by Carroll University. When a parent of a current student makes a gift to Carroll, it demonstrates an extra show of support for the Carroll experience – on the fields of play, on the stage and in the classroom.

When parents of Carroll graduates support the university, we take it as a continuing vote of confidence and a signal that their son or daughter was well prepared for careers of their choice and lives of fulfillment, service and accomplishment.

Faculty, Staff & Emeriti Giving

Carroll continues to be an accomplished institution because of its people—committed faculty, staff, coaches and mentors—who work each day helping to prepare students for meaningful lives and careers.

Faculty, staff and emeriti – current and retired –generously give back to Carroll because they believe in its mission, recognize the need, and see the tremendous impact it has on today's students – and ultimately on their lives beyond graduation.
